ATTACHMENT A

I. Premises to be Searched—Subject Premises

The Subject Premises are particularly described as a private island in the U.S. Virgin Islands known as Little Saint James, any buildings or other structures contained thereon, and any closed containers/items contained therein. Little Saint James is an approximately 75 acre island located approximately four (4) miles off the southeast coast of St. Thomas. The Subject Premises is depicted in the following photograph:

The Subject Premises contains multiple structures, including but not limited to:

- a. On the northeast end of the Subject Premises, there is a single story structure next to a pool.
- b. On the southwest end of the Subject Premises, there is a single-story, four-wall structure. The walls are painted with blue and white stripes. The structure has large double doors as its main entrance and large windows on the three remaining walls.
- c. On the north east end of the Subject Premises, there are multiple structures. The main structure is a single story residence (the “Main Residence”) with a stone exterior, a blue roof, and a white detailed exterior that includes white columns.
- d. A separate structure (“Residence One”) with a blue roof and stone exterior is at the back of the Main Residence, located at the end of the northeast tip of the island and surrounded by coastline on two of its sides.

e. A second larger structure (“Residence Two”) is set between the Main Residence and the coastline.

f. Four smaller single story structures (the “Four Cabanas”) are next to the Main Residence and a large pool. All four smaller structures have blue roofs.

g. A third large structure (“Residence Three”) set off from the four smaller structures and next to the coast line is painted white and has a blue roof. Residence Three appears to have two levels throughout and also appears to be at a lower elevation than the Main Residence, Residence Two, and the Four Cabanas.

h. Behind Residence Three and along the coastline is a small roofed structure at the end of a wooden dock (the “Dock House”).

i. There are two single story sheds (“Shed One” and “Shed Two”) that are located just southwest of the Main Residence. Shed One and Shed Two appear to have a metal-like exterior that is a green-blue color.

j. Next to Shed One and Shed Two is a four wall structure that appears to have several sally port type doors (“Maintenance One”). A second structure (“Maintenance Two”) is next to Maintenance One and has a white exterior with four sets of white double doors and three single white doors.

k. Near the center of the island is a single story structure (“Residence Four”) that has a stone exterior and blue roof. The front of Residence Four has three dark double doors.

l. Next to the helicopter landing pad are two small structures with blue roofs (“Helipad Buildings”).

m. On the west side of the Subject Premises on the coast is an approximately two-level structure with a blue roof (“Residence Five”).

II. Items to Be Seized

A. Evidence, Fruits, and Instrumentalities of the Subject Offenses

This warrant authorizes the seizure of certain evidence, fruits, and instrumentalities of violations of Title 18, United States Code, Sections 1591 (Sex Trafficking of Minors), and 371 (Sex Trafficking Conspiracy) (the “Subject Offenses”) described as follows:

In lieu of seizing any such computer devices or storage media, this warrant also authorizes, in the alternative, the copying of such devices or media for later review.
