Subject: Telephone calls about Jeffrey Epstein
Date: Wed, 10 Jul 2019 19:02:47 +0000
Importance: Normal

[redacted]

We need to get this info to all the SSOs who might answer the phone when [redacted] is gone for the day.

[redacted]

+++++++

If we receive a call that sounds like it is from a victim of Jeffrey Epstein, or someone who says they have information, please respond this way.

Tell the caller you are going to forward them to a special number for this where they should leave a message with a phone number where we can call them. Tell them someone will definitely call them. Then forward them to 1-1030.
