to the U.S. Customs and Border Patrol when he or she leaves the United States. The I-94 portion should be
her records. A person granted a change of status who leaves the U.S. must normally obtain a visa in the new
classification before returning. The left part can be used in applying for the new visa. If a visa is not
required, he or she should present it, along with any other required documentation, when applying for reentry in
this new classification at a port of entry or pre-flight inspection station. The petitioner may also file Form
I-824, *Application for Action on an Approved Application or Petition*, to request that we notify a consulate, port
of entry, or pre-flight inspection office of this approval.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.
