This is only a cost estimate. This estimate will require amendments if further repair, labor, shipping, travel, expenses etc. are required beyond quoted price. Cost estimates will remain in effect for 30 days, unless changed in the interim upon written notice. For engines placed in customer hold, the use of any quoted serviceable material is subject to availability at the time of engine release. This customer authorization is subject to the terms and conditions on the reverse side. These terms and conditions shall prevail over any issued purchase order or other documentation.

Acceptance of Work Authorization: The above specifications and conditions are satisfactory and are hereby accepted. Payment will be made for services as outlined above. NOTE: See attached General Terms & Conditions which are incorporated by reference herein.
