Employer Retirement Plan Rollovers

For rollovers from an employer's retirement plan: I have reviewed the options available and evaluated the investment and non-investment considerations described in the IRA Rollover Disclosure available in the Agreements and Disclosures booklet; I understand the fees and costs associated with a UBS IRA and I have made the decision to roll over my assets to a UBS IRA independently. I also understand that if UBS provides services to my employer's retirement plan, none of the information provided to me by UBS or its employees about rolling over to an IRA was provided as part of any existing fiduciary relationship to the plan under ERISA and that neither UBS nor its employees acted as an ERISA fiduciary in supplying such information.

The Client Relationship Agreement contains a pre-dispute arbitration clause located in the final section under the title "Arbitration."
