**Important Payment Information:**

**Payments made at a Wells Fargo branch.** When making a payment at a Wells Fargo branch you must present a separate check for each account being paid. A single check cannot be used to pay multiple accounts.

**Payments by mail.** Mail your check and the payment coupon to the Payment Remittance Center address printed on this statement. For fastest delivery, please use the enclosed window envelope. If using a single check to pay multiple accounts, we must receive a completed payment coupon for each account being paid or a list showing the full account number and amount to be credited to each account. If you are paying multiple accounts with a single check, the total of the check must equal the sum of the payments to be applied to each individual account, with at least the total minimum payment due for all accounts.

**Payments by phone.** If you are authorized to transact on the account, you may be able to initiate a payment by calling the Customer Service number listed on the front of this statement.

**Payments made using Wells Fargo Online Banking or Wells Fargo Mobile.** If you have access to the account via Wells Fargo Online Banking or Mobile you may be able to make a payment depending on your level of access.

**Automatic Payments.** You can establish automatic payments to this credit account from a Wells Fargo deposit account or any other financial institution. For enrollment information, please contact our Customer Service number listed on the front of this statement.

**Timing of payments by mail or payments made at a Wells Fargo branch.** Payments that are received by mail or in a Wells Fargo branch as of 5 p.m. on any business day will be credited as of the date of receipt. Payments we receive after 5 p.m. or on non-business days will be credited as of the next business day. Payments made at other Wells Fargo branches may not be credited for up to five business days.

**When a payment is considered late.** If your payment is received or initiated any time after the Due Date, it is considered late and your account will be subject to a late fee.
