M. Case Comments		
Created By	Date	Comments
Kshitij Golani	7/27/17 5:06 PM	<p>The account holders have been clients of DB since 2013. Below are the reasons why we were comfortable with approving this high risk KYC remediation -</p> <ul style="list-style-type: none"> • Information and supporting documents required by our AML Policy were provided and reviewed; and as a result, we have an understanding of the structure of the accountholders, their purpose, the purpose of the accounts and expected transaction activity. • The account holders' (██████████ ██████████) source of wealth and source of funds were sufficiently detailed and appears plausible • Negative Media: One of the account holders, ██████████, used to work for Jeffrey Epstein. Jeffrey Epstein is a registered sex offender. In June 2008, under a plea deal, he was sentenced to 18 month for soliciting a minor. He served 13 months. See approval from Chip Packard under KYC 01082293. • Our review did not identify any red flags and thus there was no need to escalate this case further. • We performed due diligence searches on all parties and did not find the names searched to be on any sanctions lists.
