### Entry into a Material Definitive Agreement.

As previously announced, on June 13, 2016, SAExploration Holdings, Inc. (the "Company") entered into a comprehensive restructuring support agreement (the "Restructuring Support Agreement") with holders (the "Supporting Holders") of approximately 66.67% of the par value of the Company's 10.000% Senior Secured Notes due 2019 (the "Existing Notes"), pursuant to which the Supporting Holders and the Company agreed to enter into and implement a comprehensive restructuring of the Company's balance sheet (the "Restructuring").

On July 27, 2016, the Company completed its previously announced exchange offer and consent solicitation (the "Exchange Offer") related to the Company's Existing Notes. In the Exchange Offer, the Company offered to exchange any and all of the Existing Notes held by eligible holders for up to (i) \$70,000,000 aggregate principal amount of 10.000% Senior Secured Second Lien Notes due 2019 (the "New Notes") and (ii) 6,497,979 shares of the Company's common stock (the "New Notes Shares"), upon the terms and subject to the conditions set forth in the Company's Exchange Offer Memorandum and Consent Solicitation Statement and related Letter of Transmittal and Consent, each dated June 24, 2016. Concurrently with the Exchange Offer, the Company solicited consents from holders of the Existing Notes to adopt certain proposed amendments (the "Proposed Amendments") to the Indenture under which the Existing Notes were issued (the "Existing Notes Indenture"), the existing intercreditor agreement and related collateral and security agreements relating to the Existing Notes. As previously announced, following the irrevocable receipt of the requisite consents, on June 29, 2016, the Company entered into a first supplemental indenture to the Existing Notes Indenture, an amended and restated intercreditor agreement dated as of June 29, 2016, by and among Wells Fargo Bank, National Association, as lender and collateral agent for the Existing Revolving Credit Facility, Wilmington Savings Fund Society, FSB, as trustee and collateral agent for the Existing Notes, and Delaware Trust Company, as administrative and collateral agent for the New Senior Loan Facility, which was joined by the noteholder collateral agent for the New Notes on July 27, 2016 (the "New Intercreditor Agreement"), and a first amendment to the security agreement relating to the Existing Notes, among other things. In addition, as previously announced, on June 29, 2016, (i) the Company, as borrower, and each of the Company's domestic subsidiaries, as guarantors (the "Guarantors"), entered into a new senior secured multi-draw term loan facility (the "New Senior Loan Facility") with the lenders, including the Supporting Holders, from time to time party thereto, and Delaware Trust Company, as collateral agent and administrative agent (the "New Senior Loan

Facility Agent") and (ii) the Company, the Guarantors and Wells Fargo Bank, National Association, as lender, entered into an amendment to the Credit and Security Agreement, dated November 6, 2014 (as amended, the "Existing Revolving Credit Facility"). For additional information on the agreements giving effect to the Proposed Amendments, refer to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on July 1, 2016.

In exchange for \$138,128,000 in aggregate principal amount of Existing Notes, representing approximately 98.7% of the outstanding aggregate principal amount of the Existing Notes, validly tendered and accepted for exchange in the Exchange Offer, the Company issued (i) \$69,064,000 aggregate principal amount of its New Notes and (ii) 6,410,502 New Notes Shares, after giving effect to the Reverse Stock Split described below. The Company delivered cash in lieu of any fractional shares. In addition, each participating holder received accrued and unpaid interest on its tendered Existing Notes that were accepted for exchange from their last interest payment date to, but not including, the settlement date, which was paid in the form of additional New Notes, in an aggregate amount of \$7,458,912.

#### Indenture

The terms of the New Notes are governed by the indenture (the "Indenture"), dated as of July 27, 2016, among the Company, its domestic subsidiaries party thereto (the "Guarantors") and Wilmington Savings Fund Society, FSB, as trustee (the "Trustee") and noteholder collateral agent (the "Noteholder Collateral Agent").

The New Notes will mature on September 24, 2019, provided that, if any Existing Notes remain outstanding as of 5:00 p.m. (New York City time) on March 31, 2019, then upon the affirmative vote of the holders of a majority of then-outstanding principal amount of New Notes, the maturity date of the New Notes shall become April 14, 2019. Interest is payable on January 15, April 15, July 15 and October 15 of each year, commencing on October 15, 2016.

The New Notes will bear interest at a rate of 10.000% per annum payable in cash, accruing from July 27, 2016; provided, however, that for each interest payment date for the New Notes through, and including the July 15, 2017 interest payment date, the Company may, at its option, pay interest on any or all such interest payment dates in kind by the issuance of additional New Notes. Interest paid in-kind will accrue on the New Notes at a rate per annum of 11.000%, which is the cash interest rate plus 100 basis points. Any additional New Notes issued as in-kind interest will be fungible with, and will accrue interest at the same rate as, the New Notes.

The Company has the right to redeem up to \$35 million of the New Notes at a redemption price of 100% of the principal amount of the New Notes plus accrued and unpaid interest out of proceeds received from certain Alaska tax credit certificates that have been assigned to the Company, provided that the Company has first repaid in full the Existing Revolving Credit Facility and the New Senior Loan Facility and all commitments thereunder have been canceled. The Company has no other optional redemption rights.

The New Notes are subject to a make-whole provision requiring that if the New Notes are accelerated or otherwise become due and payable prior to their stated maturity due to an event of default, then an applicable premium determined in accordance with the Indenture will also be immediately due and payable, together with principal of, accrued and unpaid interest on, the New Notes.

The Indenture contains various covenants that, subject to certain exceptions, limit the ability of the Company and its restricted subsidiaries to, among other things: (i) transfer or sell assets; (ii) pay dividends, redeem subordinated indebtedness or make other restricted payments; (iii) incur or guarantee additional indebtedness or, with respect to its restricted subsidiaries, issue preferred stock; (iv) create or incur liens; (v) incur dividend or other payment restrictions affecting its restricted subsidiaries; (vi) consummate a merger, consolidation or sale of all or substantially all of its or its subsidiaries' assets; (vii) enter into transactions with affiliates; (viii) engage in business other than its current business and reasonably related extensions thereof; and (ix) take or omit to take any actions that would adversely affect or impair in any material respect the collateral securing the New Notes.

2

The Indenture also contains other customary terms and conditions, including relating to customary events of default. If an event of default occurs and is continuing, then all outstanding New Notes either become due and payable immediately without further action or notice (in the event of a bankruptcy default), or the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding New Notes may declare the principal of, and any accrued interest on, the New Notes to be due and payable immediately (in the event of another default).

The summary of the Indenture, the New Notes, the form of which is included in the Indenture, and the New Guarantees set forth in this Item 1.01 does not purport to be complete and is qualified in its entirety by reference to the text of the Indenture, a copy of which is being filed as Exhibit 4.1 hereto and is incorporated herein by reference, and the Notation of Guarantee, a copy of which is being filed as Exhibit 4.3 hereto and is incorporated herein by reference.

Pursuant to the Joinder, the Noteholder Collateral Agent, for and on behalf of the holders of the New Notes, agreed to become a party to, and to be subject to the terms of, the New Intercreditor Agreement and the existing parties to the New Intercreditor Agreement agreed that the New Notes and the

No individual holder may exercise this right more than two times. The Company is not obligated to effect an underwritten demand notice within 90 days of closing another underwritten offering. Under their piggyback registration rights, if at any time the Company proposes to conduct an underwritten offering for its own account, the Company must allow such RRA Holders to include a specified number of their Registrable Securities in the offering. These rights are subject to certain conditions and limitations, including certain rights to limit the number of shares to be included in an underwritten offering and the Company's right to delay or withdraw a registration statement or an offer and sale of Registrable Securities pursuant to such registration statement (including underwritten offerings) under certain circumstances. Pursuant to the Warrant Agreement, the Company issued two series of warrants (the "Series A Warrants" and the "Series B Warrants", together, the "Warrants") to the holders of the Company's common stock as of July 26, 2016, such Warrants to expire at the close of business on July 27, 2021 (the "Expiration Date"). Following July 27, 2016, there are 154,108 Series A Warrants outstanding to purchase up to an aggregate of 154,108 shares of common stock at an initial exercise price of \$10.30 per share (the "Series A Exercise Price"). of Directors determined that each of the members of the Audit Committee, the Compensation Committee and the Nominating Committee is independent under the applicable Nasdaq listing standards and that the members of the Audit Committee are independent under Rule 10A-3 of the Securities Exchange Act of 1934, as amended. With respect to director compensation for each of the New Directors, see "Item 11. Executive Compensation-Director Compensation-General" in the Company's Form 10-K/A filed with the Securities and Exchange Commission on April 29, 2016.

In connection with the consummation of the Exchange Offer, the Company has terminated its 2013 Long-Term Incentive Plan.

On July 27, 2016, the Company entered into indemnification agreements (the "Indemnification Agreements") with Jeff Hastings, Brian Beatty, Brent Whiteley, Mike Scott, Darin Silvernagle, Ryan Abney, Gary Dalton and each of the New Directors (each, an "Indemnitee"). The Indemnification Agreements supersede and replace the indemnification agreements previously entered into with any such individuals. In addition, the Indemnification Agreements provide for the advancement of expenses incurred by the Indemnitees in connection with any proceeding covered by the Indemnification Agreements, provided that the Indemnitees must repay the advanced amounts if, upon conclusion of the proceeding, it is ultimately determined that the Indemnitees were not entitled to indemnification.

Director and Officer Indemnification Agreement, a copy of which is being filed as Exhibit 10.4 hereto and is incorporated herein by reference.

The appointment of the New Directors, reflects an arrangement incorporated into the Restructuring Support Agreement, pursuant to which the Supporting Holders are entitled to select six of the seven members of the Board of Directors. The Restructuring Support Agreement contemplates that each of BlueMountain Capital Management, LLC ("Blue Mountain") and Whitebox Advisors LLC ("Whitebox") shall have the right to select one director to be nominated by the Company for so long as each of their equity holdings following the consummation of the Exchange Offer exceeds 10% of the Company's total outstanding shares. Mr. Kass is an employee of BlueMountain and Mr. Mercer is an employee of Whitebox. Each of BlueMountain and Whitebox are Supporting Holders. Each of the Supporting Holders, including BlueMountain and Whitebox, are lenders under the Company's New Senior Loan Facility and parties to the Registration Rights Agreement with respect to shares of common stock received in connection with the Restructuring.

The information in Item 1.01 is incorporated into this Item 5.02 by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

In connection with the Restructuring, on June 14, 2016, the Board of Directors authorized an amendment (the "Amendment") to the Second Amended and Restated Certificate of Incorporation of the Company to effect a reverse stock split of the shares of common stock of the Company at a ratio of 135-to-1 (the "Reverse Stock Split"). The Amendment did not affect the number of authorized shares under the Second Amended and Restated Certificate of Incorporation. On June 15, 2016, the Amendment was approved by the written consent of the Company's stockholders holding a majority of the outstanding shares of common stock entitled to vote as of June 15, 2016. The Amendment became effective upon filing with the Secretary of State of the State of Delaware on July 26, 2016, and is attached as Exhibit 3.1.

On July 27, 2016, the Board of Directors approved amendments to the Company's Amended and Restated Bylaws. Among other things, including immaterial, conforming and technical changes, the new Second Amended and Restated Bylaws (the "Bylaws"):
