1.3 "Affiliate" means, with respect to any Person, any other Person that, directly or indirectly, controls, is under common control with, or is controlled by the former Person. For purposes of this definition, "control" (including, with correlative meaning, the terms "controlled by" and "under common control with"), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct and cause the direction of the management and policies of such Person, whether through the ownership of voting securities, by contract or otherwise.

(b) To each Member's Capital Account there shall be debited the amount of cash and the Gross Asset Value of any property distributed to such Member pursuant to any provision of this Agreement, and such Member's distributive share of Losses.

(c) In the event all or a portion of a Member's Membership Interests are transferred in accordance with the terms of this Agreement, the transferee shall succeed to the Capital Account of the transferor to the extent it relates to the transferred Membership Interests.

(d) In determining the amount of any liability for purposes of the foregoing subparagraph (a), there shall be taken into account Code Section 752(c) and any other applicable provisions of the Code and Regulations.

The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Regulations Sections 1.704-1(b) and 1.704-2, and shall be interpreted and applied in a manner consistent with such Regulations. In the event the Members acting unanimously shall reasonably determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto, are computed in order to comply with such Regulations, the Manager, with the Consent of the Members, may make such

modification; provided that such modification is not likely to have a material effect on the amount distributed to any Member pursuant to Article 10 hereof upon the liquidation of the Company.

1.7 "Capital Contributions" means the aggregate amount of cash and Gross Asset Value of property (less the amount of indebtedness, if any, of such Member which is assumed by the Company and/or the amount of indebtedness, if any, to which such property is subject, as of the date of contribution, without regard to the provisions of Code Section 7701(g)) contributed by a Member to the capital of the Company.

1.8 "Cash Flow" means, for any period, the amount by which (a) the gross cash receipts of the Company from any source for such period (including, but not limited to, Capital Contributions, loans, proceeds received by the Company in respect of the any and all realizations of any Artwork, and proceeds from the sale, financing, refinancing or other disposition of all or any portion of any other property of the Company), exceed (b) the sum of (i) the aggregate cash disbursements for such period (including, but not limited to, Company administrative costs, reimbursements paid to the Manager in accordance with the provisions of this Agreement with respect to expenses incurred by Manager in the day-to-day activities of managing and operating the Company hereunder, principal and interest payable on Company debt and capital expenditures), and (ii) amounts previously set aside as reserves as determined by the Consent of the Members.

depreciation, amortization or other cost recovery deduction from such year or other period is zero, Depreciation shall be determined with reference to such beginning Gross Asset Value using any reasonable method selected by the Consent of the Members.

1.14 "Gross Asset Value" means, with respect to any asset, the asset's adjusted basis for federal income tax purposes, except as follows:

(a) The initial Gross Asset Value of any asset contributed by a Member to the Company shall be the gross fair market value of such asset, as determined by the contributing Member and the Manager;

(b) The Gross Asset Values of all Company assets shall be adjusted to equal their respective gross fair market values, as reasonably determined by the Consent of the Members, as of the following times: (i) the acquisition of additional Membership Interests in the Company by any new or existing Member in exchange for more than a de minimis capital contribution; (ii) the distribution by the Company to a Member of more than a de minimis amount of Company assets, including money, as consideration for an interest in the Company; and (iii) the liquidation of the Company within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g); provided, however, that adjustments pursuant to the preceding clauses (i) and (ii) shall be made only if it is reasonably determined by the Consent of the Members that such adjustments are necessary or appropriate to reflect the relative economic interests of the Members in the Company;

(c) The Gross Asset Value of any Company asset distributed to any Member shall be the gross fair market value of such asset on the date of distribution; and

(d) The Gross Asset Values of Company assets shall be increased (or decreased) to reflect any adjustments to the adjusted basis of such assets pursuant to Code Section 734(b) or Code Section 743(b), but only to the extent that such adjustments are taken into account in determining Capital Accounts pursuant to Regulations Section 1.704-1(b)(2)(iv)(m) and the definition of "Capital Account" herein.

If the Gross Asset Value of an asset has been determined or adjusted pursuant to any of the foregoing subparagraphs (a), (b) or (d) of this Section, such Gross Asset Value shall thereafter be adjusted by the Depreciation taken into account with respect to such asset for purposes of computing Profits and Losses.

1.15 "Manager" means the Person designated or appointed as Manager pursuant to this Agreement, and any other Person who becomes a successor or additional Manager of the Company pursuant to this Agreement.

1.16 "Member" means either STC or the Trust as and when acting in such Person's capacity as a Member of the Company, and any other Persons who from time to time become parties to or are otherwise bound by this Agreement as Members.

(a) Any income of the Company that is exempt from federal income tax and not otherwise taken into account in computing Profits or Losses pursuant to this definition shall be added to such taxable income or loss;

(b) Any expenditures of the Company described in Code Section 705(a)(2)(B), or treated as Code Section 705(a)(2)(B) expenditures pursuant to Regulations Section 1.704-1(b)(2)(iv)(i), and not otherwise taken into account in computing Profits or Losses pursuant to this definition shall be subtracted from such taxable income or loss;

(c) In the event the Gross Asset Value of any Company asset is adjusted pursuant to subparagraph (b) or (d) of Section 1.14 hereof, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits or Losses;

(d) Gain or loss resulting from any disposition of property with respect to which gain or loss is recognized for federal income tax purposes shall be computed by reference to the Gross Asset Value of the property disposed of notwithstanding that the adjusted tax basis of such property differs from its Gross Asset Value; and

(e) Depreciation shall be taken into account for such fiscal year or other period in computing such taxable income or loss, in lieu of the depreciation, amortization and other cost recovery deductions that otherwise may be taken into account in the absence of Section 1.13.

ARTICLE 2

THE COMPANY

2.1 Formation and Name. The Company has been formed as a limited liability company pursuant to the provisions of the Act. The Company was formed with the name "Prytanée, LLC"; provided that the Company may hereafter adopt such other name or names as may from time to time selected by the Consent of the Members.

2.2 Purpose. The Company has been organized to engage in the acquisition, ownership and management for investment purposes of Artwork selected from time to time by the Manager, subject to the provisions of Section 5.2 hereof and the other provisions of this Agreement; provided, however, that the Company shall not at any given time invest in the aggregate amounts in excess of One Hundred Thousand Dollars (\$100,000.00) on Artwork created by any single artist; and, with the Consent of the Members, the Company may engage in any and all other lawful businesses or activities which a limited liability company may carry on under the Act and the laws of any other jurisdiction in which the Company is so engaged.

2.3 Registered Agent. The Company's registered agent shall initially be Business Basics VI, LLC, Royal Palms Professional Building, 62-3A & 62-3B Estate Thomas, Suite 101, St. Thomas, U.S. Virgin Islands 00802, and from time to time hereafter may be changed to the Person designated by the Consent of the Members to serve in that capacity in accordance with the terms of the Act.

2.4 Qualification in Additional Jurisdictions. The Manager is authorized, with the Consent of the Members, to qualify the Company to do business in any jurisdiction in which such qualification is deemed by the Manager as necessary or desirable in carrying out the Company's business, and pursuant thereto, to appoint a registered agent and to establish a registered office in such jurisdiction, and to cause the Company to operate in such jurisdiction under another name selected by the Consent of the Members, in compliance with the assumed name statute of such jurisdiction, if the Company is not allowed under the laws of such jurisdiction to operate under its legal name.

ARTICLE 3

MEMBERSHIP INTERESTS; CONTRIBUTIONS BY THE MEMBERS

3.1 Membership Interests. The Company shall issue one type of ownership interest, with such rights, preferences and obligations as set forth in this Agreement. Holders of Membership Interests shall be entitled to one vote per each percentage point of Membership Interest held; provided that such holder is also a Member. Notwithstanding anything to the contrary contained in this Agreement, no Person shall be entitled to vote with respect to any Membership Interests unless such person is a Member.

3.2 Initial Capital of the Company. On or prior to the date hereof, each of the Members (or the Person from whom such Member acquired, directly or indirectly, its, his or her Membership Interests) has made an initial Capital Contribution to the Company as provided on Exhibit A attached hereto. In consideration of the provisions contained in this Agreement, each Member (or the Person from whom such Member acquired, directly or indirectly, its, his or her Membership Interests) has received that percentage of Membership Interests set forth on such Exhibit A.

3.3 No Additional Capital Contributions. No Member shall be required to make any additional Capital Contribution to the Company; provided, however, that STC may from time to time in its sole discretion make additional Capital Contributions to the Company so as to enable the Company to invest in additional Artwork or for any other purposes that STC, in its sole discretion, deems necessary or appropriate. Such additional Capital Contributions shall increase STC's Capital Account in accordance with the provisions of Section 1.7 hereof, but without the Consent of the Members shall not increase the percentage Membership Interest of STC.

3.4 Withdrawal. Except as otherwise provided in Article 9 of this Agreement, no Member shall be entitled to withdraw or resign from the Company, prior to its dissolution and winding up, without first obtaining the Consent of the Members.

3.5 Additional Membership Interests. No additional Membership Interests shall be issued by the Company without the Consent of the Members.

ARTICLE 4

CAPITAL ACCOUNTS; PROFITS AND LOSSES; DISTRIBUTIONS

4.1 Capital Accounts. The Company shall establish and maintain a Capital Account for each Member.

4.2 Allocation of Profits and Losses.

(a) Profits of the Company shall be allocated among the Members as follows:

(i) First, to each Member pro rata and in proportion to the cumulative Losses, if any, allocated to such Member pursuant to Section 4.2(b)(ii) hereof until the cumulative Profits allocated to such

Member under this Section 4.2(a)(i) equals the cumulative Losses allocated to such Member under Section 4.2(b)(i) hereof; and

(ii) Then, the balance, if any, to the Members in accordance with their respective Membership Interests.

(b) Losses of the Company shall be allocated to the Members as follows:

(i) First, to the Members in accordance with their respective Membership Interests; provided, however, that no Member shall be allocated Losses in excess of its, his or her Adjusted Capital Account Balance, determined immediately prior to the allocation provided for in this Section 4.2(b)(i); and

(ii) Then, to the extent any Losses allocated to a Member pursuant to Section 4.2(b)(i) would, but for the proviso contained therein, exceed a Member's Adjusted Capital Account Balance, such Losses shall be allocated first to the other Members in proportion to, and to the extent of, their respective Adjusted Capital Account Balances, and then to any Member guaranteeing debt of the Company, making loans to the Company or otherwise having liability for Company debt, in proportion to the debt guaranteed, the loans made or the amount of such liability.

4.3 Reallocation by Manager. The allocation of Profits and Losses in Section 4.2 is intended to have substantial economic effect within the meaning of Regulations Section 1.704-1(b)(2) or be in accordance with the Members' interests in the Company within the meaning of Regulations Section 1.704-1(b)(4). If subsequent events (including, but not limited to, nonrecourse borrowing by the Company or a loan by a Member to the Company) cause, in the reasonable opinion of the Members as determined by the Consent of the Members, the Section 4.2 allocations to have neither substantial economic effect nor be in accordance with the Members' interests in the Company, the Manager may (a) allocate the income, gain, loss, deduction and credit of the Company so that such allocations are in accordance with the Members' Membership Interests; or (b) make such other modifications to this Agreement (including, but not limited to, the addition of minimum gain chargeback, qualified income offset and other special allocation provisions specified in Regulations Sections 1.704-2 or 1.704-1(b)) that are necessary in the reasonable opinion of the Members to cause such allocations to have substantial economic effect within the meaning of Regulations Section 1.704-1(b)(2).

4.4 Tax Allocations. Except as otherwise provided in this Agreement, all items of income, gain, loss and deduction shall be allocated, for federal, territorial, state, local and other jurisdiction income tax purposes, among the Members in the same manner as the corresponding items of income, gain, loss and deduction are allocated for purposes of maintaining the Capital Account of each of the Members.

4.5 Section 704(c) Allocations. In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its initial Gross Asset Value, including, but not limited to, special allocations to a contributing Member that are required under Code Section 704(c) to be made upon distribution of such property to any of the noncontributing Members. In the event the Gross Asset Value of any property of the Company is adjusted pursuant to subparagraph (b) of Section 1.14, subsequent allocations of income, gain, loss and deduction with respect to such property shall take account of any variation between the adjusted basis of such property for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder. Any elections or other decisions relating to such allocations shall be made by the Manager with the Consent of the Members in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 4.5 are solely for purposes of federal, state, territorial, local and other jurisdiction taxes and shall not affect, or in any way be taken into account in computing, a Member's Capital Account or share of Profits or Losses, other items or distributions pursuant to any provision of this Agreement.

4.6 Distribution of Cash Flow. To the extent there is Cash Flow available for distribution, as reasonably determined by the Consent of the Members, and in any event not later than 45 days after the receipt by the Company of the proceeds from the sale of any Artwork, the Manager shall cause the Company to distribute such available Cash Flow:

(a) first, to those Members with Unreturned Capital Contributions, pro rata in proportion to the amount of such Unreturned Capital Contributions, until the amount of each Member's Unreturned Capital Contributions has been reduced to zero; and

(b) thereafter, to the Members, pro rata in accordance with their respective Membership Interests.

ARTICLE 5

MANAGEMENT

5.1 Initial Manager. The management of the Company's business shall be vested in one Manager unless a greater number of Managers shall be fixed from time to time by the Consent of the Members. The initial Manager of the Company shall be Etienne Binant. A Manager shall hold office until his, her or its death, removal, or resignation. The Company shall enter into a Management Agreement with the Manager (the "Management Agreement") that governs and provides, among other things, for (a) the Manager's management of the Company upon and subject to the provisions of this Agreement, (b) the Company's payment to the Manager of a management fee in the

amount of \$100,000 per year, \$25,000 of which is payable quarterly, commencing with the execution of the said Management Agreement, and on the first day of each of the three, three-month periods thereafter, and (c) the Company's reimbursement to the Manager of the Manager's reasonable, properly documented and, when in excess of the limits imposed by Section 5.2(c) below, pre-approved expenses in connection with the Manager's management of the Company. The Management Agreement shall be in the form attached as Exhibit B hereto.

5.2 Management Authority.

(a) Except as otherwise authorized in or limited by this Agreement, all management decisions of the Company shall be made by the Manager, who shall be responsible for the conduct of the business of the Company, subject to the provisions of this Agreement and the Act. The Manager shall have all of the rights, powers, duties and obligations of managers as provided in the Act, and as otherwise provided by law, and any action taken by the Manager, not otherwise in violation of the Act or this Agreement, shall constitute the act of and serve to bind the Company. Without limiting the foregoing, and subject to the restrictions set forth in Section 5.2(c) hereof, the Manager shall have authority, for and on behalf of the Company, to:

(i) Engage in and manage the day to day operations of the Company and, in connection therewith, incur reasonable and ordinary operating business expenses, including, without limitation, for office supplies, internet, phone, mailing, federal express, and the like;

(ii) Enter into arms-length shipping contracts in the ordinary course of business in connection with any and all Artwork purchased by the Company; provided, however, that the Manager shall provide information with respect to any and all such shipping contracts as may be requested by any Member;

(iii) Enter into arms-length insurance contracts in the ordinary course of business for any and all Artwork purchased by the Company; provided, however, that the Manager shall provide information with respect to any and all such insurance contracts as may be requested by any Member; and

(iv) Incur expenses, whether individually or as a group of related expenses, not in excess of \$3,000.

(b) Only the Manager shall have the authority to bind the Company. The Manager is an agent of the Company for the purpose of its business, and the act of the Manager, including the execution in the Company's name of any instrument for apparently carrying on in the usual way the business of the Company, binds the Company, unless such act is in contravention of the Act or this Agreement or any agreement between the Manager and the Company or

unless the Manager so acting otherwise lacks the authority to act for the Company and the Person with whom the Manager is dealing has knowledge of the fact that he, she or it has no such authority. If the Manager acts without the requisite authority, the Manager shall be liable for any damages or liabilities arising with respect to such action unless the Manager can show that he, she or it reasonably believed after due inquiry that such action was authorized.

(c) Anything to the contrary provided in this Agreement notwithstanding, the following decisions or acts by or on behalf of the Company shall require approval by the Consent of the Members:

(i) The purchase by the Company of any Artwork (whether an individual piece or a group of pieces as part one overall purchase whether at one time or within a reasonably close period of time) at a price exceeding \$10,000 or its equivalent in any other currency, or, if purchased in a geographic area utilizing the Euro as its primary currency, in excess of 10,000€; and the entering into of any and all writings, options, letters of intent, understandings, contracts and agreements with respect to the same;

(ii) The lease or purchase of office, storage or warehouse space, regardless of the location or size of the space or the amount of rent or price to be charged therefor; and the entering into of any and all writings, options, letters of intent, understandings, contracts and agreements with respect to the same;

(iii) The execution and delivery of a Management Agreement with the Manager or any amendment thereto;

3. To sell or dispose of, exchange, transfer, invest, or loan all or any part of the assets of such trust which my Trustee holds, at any time, for such sums or upon such terms as to payment, security, or otherwise as my Trustee determines, either by public or private transactions;

or all such interests in the name or names of a nominee or nominees; (j) to delegate, to the extent permitted by law, any or all of the powers set forth herein to the operator of such property; and (k) to employ personnel, rent office space, buy or lease office equipment, contract and pay for geological surveys and studies, procure appraisals, and generally to conduct and engage in any and all activities incident to the foregoing powers, with full power to borrow and pledge in order to finance such activities; together with the power to allocate between principal and income any net proceeds received as consideration, whether as royalties or otherwise, for the permanent severance from lands of oil, natural gas, minerals, and all other natural resources;

6. To hold all or any part of the assets of such trust in cash or in bank accounts without the necessity of investing the same; of such trust;

7. To improve, repair, partition, plat, or subdivide all or any part of the assets of such trust;

8. To litigate, defend, compromise, settle, abandon, or submit to mediation or arbitration on such terms and conditions as my Trustee determines any claims in favor of or against such trust or the assets of such trust;

9. 10. To create or invest in any entity with all or part of the assets of such trust and to carry on for as long and in such manner as my Trustee determines any business enterprise held or created by my Trustee or in which I owned any interest at my death, either individually or as a partner, joint venturer, stockholder, trust beneficiary, or member; to sell such business enterprise as an ongoing business; to consolidate, merge, encumber, dissolve, liquidate or undertake any other extraordinary corporate transaction relating to such business enterprise;

11. 12. Except as provided in Sections 4.3B, C, and D of this Article IV, to enter into any good faith transactions with my Trustee individually or with any corporation, partnership, limited liability partnership, limited liability company, or other entity in which my Trustee has an ownership interest;

13. To purchase from my estate any stocks, bonds, securities, real or personal property, or other assets, or make loans to my estate even though the same person or persons occupy the office of my Trustee and the office of the Executor of my estate;

14. To lease, mortgage, pledge, grant a security interest in, or otherwise encumber all or any part of the assets of such trust for any term of years whether or not beyond the term of such trust (including, without limitation, any such action for the benefit of any of the beneficiaries of such trust);

15. To abandon any property of such trust, real or personal, which my Trustee may deem worthless or not of sufficient value to warrant keeping or protecting; to abstain from the payment of taxes, water rents or assessments and to forego making repairs, maintaining or keeping up any such property; and to permit such property to be lost by tax sale or other proceedings or to convey any such property for a nominal consideration or without consideration so as to prevent the imposition of any liability by reason of the continued ownership thereof;
