**Legal Notice:**

## 1) General Legal Notice

\* All information identified or summarized in this profile, appears in the listed sources. World-Check is not responsible for the content of third party sites or sources. Information given in World-Check is necessarily brief and should be read by users in the context of the fuller details available in the external sources to which hypertext links are provided. Users should also carry out independent checks in order to verify the information given.

All statements compiled by Global Objectives and the summary information contained in the World-Check profiles are pursuant to a legal, commercial, social or moral duty or interest to users who have a corresponding duty or interest in receiving these statements and hence the World-Check content is protected by qualified privilege. You are therefore strictly prevented from disclosing or copying to third parties the contents of this database.

## 2) Category Legal Notice

Category is based on information contained in the sources provided.

## 3) Reported Link Legal Notice

Where an individual or entity is listed as being "Reported to be linked to" other profiles in World-Check, the nature of the links vary considerably and users should not draw negative inferences merely from that association.
