the focus was not on jackie, but on jackie attempting to work with a low level person at the foundation. You get to choose who at the bank, the discipline is that they take instructions from whomever you eventually decide , no side dealings. that will screw it up. In essence this DAF will allow Bill to have access to higher quality people , investment , allocation , governance without upsetting either his marriage or the sensitvites of the current foundation employees.

The jpm pb name (I'm sure it was jackie elias) is nice but not what he is looking for as part of the interface so she should not be part of the equation. Not even a jr part?
