NOTICE

International (Warsaw Convention) Notice

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and for loss of or damage to baggage. See also the notices entitled "Advice to International Passengers on Limitation of Liability" and "Notice of Baggage Liability Limitations".

Domestic Notice

Air transportation to be provided between points in the U.S. (including its overseas territories and possessions) is subject to the individual contract terms (including rules, regulations, tariffs and conditions) of the transporting air carriers, which are herein incorporated by reference and made part of the contract of carriage.

Where this coupon is issued for transportation, or services other than air travel, specific terms and conditions may apply. These terms and conditions may be included in the ticket set or may be obtained from the issuing company or agent.

Please make sure you have received the important legal notices entitled "Conditions of Contract", "Notice of Incorporated Terms", "Notice of Baggage Liability Limitations", and "Notice of Overbooking" or the specific terms and conditions relating to non-air transportation or services. If not, contact the nearest office of the company or agent to obtain copies.

NOTICE
