US Airways Itinerary Card

usairways.com

Passenger Name	Confirmation Code	Frequent Flyer Number
BANASIAK/JANUSZ	CSDRVG	

Date	Itinerary	Time	Flight	Class	Seat
27MAR	Leaving: Philadelphia, PA	8:30 PM	311	Coach Class	4E
	Arriving: West Palm Beach	11:25 PM			

Not Valid for Transportation

Next Steps:

- Arrive at the airport at least 90 minutes prior to scheduled flight departure.
- If checking baggage, present bags along with proper photo ID* to curbside or airport check-in.
- Present a print out of your itinerary card as well as proper photo ID* to an airport representative from the operating carrier of the flight segment for which check-in was not successful to receive boarding passes for that flight segment.
- Present proper photo identification* and boarding pass to security and proceed directly to the departure gate.

Thank you for flying US Airways

*Note: Proper photo identification and documents are required for all travel. Acceptable are a valid photo driver's license, an active passport or an employee identification from a county, state or federal agency.

tem and or motherboard shipped from Premio Computer (Colorado) Inc. has been rigorously tested and "burned in". This is our way of showing
on for our continuous business relationship with you. Please find this checklist of components we have tested in your system and a print out of the test
ur test is printed using "Trouble Shooter" software, which will correctly identify the speed of the CPU, the size of the HDD, the number of COM and LPT
a listing of all the drives in your system.

emio Computers Inc. thank you for your business and the opportunity to serve you. We would love to receive your comments on our work. Please
ill comments via e-mail to steve_chang@premiopc.com. You can also find us at www.premiopc.com - or http://support.premiopc.com.
