#### Excess SIPC Account Protection Update

Bear, Stearns Securities Corp. ("BSSC"), a member of the Securities Investor Protection Corporation ("SIPC"), provides account protection for the net equity of a customer's funds and securities positions. SIPC provides \$500,000 of primary net equity protection, including \$100,000 for claims for cash ("SIPC Coverage"). Visit [www.sipc.org](http://www.sipc.org) for more information about SIPC Coverage. BSSC provides the additional protection ("Excess SIPC") through a commercial insurer. Effective February 16, 2004, the commercial insurer for Excess SIPC will change to Customer Asset Protection Company ("CAPCO"), a licensed New York insurance company. Account protection applies when a SIPC member firm fails financially and is unable to meet its obligations to its securities customers, but does not apply to losses from the rise or fall in the market value of investments or to SIPC ineligible assets such as options, futures, foreign exchange transactions, or any investment contracts that are not registered as securities.
