Excess SIPC Account Protection Update

Bear, Stearns Securities Corp. ("BSSC"), a member of the Securities Investor Protection Corporation ("SIPC"), provides account protection for the net equity of a customer's funds and securities positions. SIPC provides \$500,000 of primary net equity protection, including \$100,000 for claims for cash ("SIPC Coverage"). Visit www.sipc.org for more information about SIPC Coverage. BSSC provides the additional protection ("Excess SIPC") through a commercial insurer. Effective February 16, 2004, the commercial insurer for Excess SIPC will change to Customer Asset Protection Company ("CAPCO"), a licensed New York insurance company. Account protection applies when a SIPC member firm fails financially and is unable to meet its obligations to its securities customers, but does not apply to losses from the rise or fall in the market value of investments or to SIPC ineligible assets such as options, futures, foreign exchange transactions, or any investment contracts that are not registered as securities.

Securities and other assets in your account are the firm's collateral for any margin loan made to you, if the securities and other assets in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with the member, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- You can lose more funds than you deposit in the margin account.
- The firm can force the sale of securities or other assets in your account(s).
- The firm can sell your securities or other assets without contacting you.
- You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.
- The firm can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice.
- You are not entitled to an extension of time on a margin call.

This statement is provided to explain Bear, Stearns & Co. Inc.'s ("BSC") payment for order flow practices. BSC routes a majority of orders for customer securities transactions to the primary market for such securities. Orders may also be routed to other market service vendors that assure executions pursuant to complex mathematical formulas at better than the national best bid or best offer (NBBO). BSC receives no cash payment or other consideration for such order routing other than favorable executions or executions of limit orders at no additional charge.
