Subject Re: identification

I believe its a Jelly Anal Wand of some sort. I'm about 99.9% on that.
 I would think you can buy that in Fort Lauderdale at one of those sex shops
 on - Commerce Blvd? I think is Commercial Blvd. There is like 4 Stores there
 that probably sell this..
 I really cant be any more specific because there are 1,000's of toys made
 out of hard jelly type material.
