Federal Universal Service Charge Increase

CODES AMOUNT

The Federal Communications Commission (FCC) recently announced an increase in the factor that determines how much BellSouth contributes to the Federal Universal Service Funds. These funds are designed to help keep telephone rates affordable and to expand telephone services to schools and rural areas. You will see a corresponding increase in the Federal Universal Service monthly charge that recovers this increased payment by BellSouth. The increase will be effective April 1, 2005, and will be reflected on April and May 2005 bills. This charge will not be applied to Lifeline accounts.
