---

Security explained to me that [REDACTED] will no longer be allowed to reside at the [REDACTED] however, he will contact me with whatever address she moves to.

Later, I was contacted with the following address for [REDACTED]  
[REDACTED] A cell phone number of [REDACTED] was provided for [REDACTED]

On 04/24/02, Sgt. Frick and I interviewed [REDACTED] Both subjects confirmed they had been approached by Maxwell and had worked at the residence briefly answering phones, and were paid well. Although they felt there was something "weird" about the subjects residing there, [REDACTED] advised they did not observe anything illegal at the time.

On 04/25/02, Sgt. Frick and I met with [REDACTED] stated that she did not recall anything illegal occurring at the residence, there were nude photographs of women all over the residence. [REDACTED] added there were women running around the pool area topless, and that people were always getting massages. [REDACTED] stated that Epstein offered a massage to [REDACTED] at one time, (he did not physically do the massage-a tech did it), but Epstein had her take her top off for the massage. [REDACTED] stated that made her extremely uncomfortable and she has not been back since.

Although it appears as though usual activity is occurring at this residence, at this time, no illegal activity has been reported or detected. This information will remain as intelligence purposes only, until a crime is reported or possibly another student or young female and report to us while working at the residence.
