On 04/01/05, I queried various different web sites for possible identification of the purple item found in the trash. As it was similar in description (color) to the vibrator used by Epstein and described [REDACTED]

I contacted Spicygear.com and spoke with the owner John. I emailed a photograph of the item recovered from the trash. It was his opinion that the item was a Jelly Anal Wand of some sort. It could be purchased at sex shops. John indicated there were stores in the fort lauderdale area that sell similar items.

On 04/06/05 I received a request from SAO A.Grant confirming subpoena requests.
