Closing report UKCA ref I10576752US

The Authorities in US have requested assistance from the UK, with regards to Human Trafficking and Perjury investigation.

The US authorities have asked the UK Authorities to obtain school records, birth certificate and border records reflecting entry and exit from the UK. The US authorities have supplied the subject's name as Ms. [REDACTED] born [REDACTED].

I have contacted Collingham College located at 23 Collingham Gardens, London SW5 0HL to enquire if they hold records for the person named Ms. [REDACTED] [REDACTED] born [REDACTED] for the period 1990s. They have responded that the college does not hold records from this period, digitally or otherwise.

I have contacted University of Oxford to enquire if the person named Ms. [REDACTED] [REDACTED] born [REDACTED] did attend University of Oxford in the 1990s. They have responded that they have searched their records, no record for the person named Ms. [REDACTED] [REDACTED] born [REDACTED] found.

I have contacted Her Majesty's Passport Office to request for details of historic passports held in the name of Ms. [REDACTED] born [REDACTED]. They have responded stating that passport numbers for the person named Ms. [REDACTED] born [REDACTED] had already been supplied to the NCA following a request from them.

I have not been able to obtain the birth certificate of the person named Ms. [REDACTED] born [REDACTED] as the place of birth such as town or local authority is required for this enquiry to be conducted.

The International Assistance Unit will show this enquiry as complete as all lines of enquiry have been completed. If you have any queries regarding my closing report please do not hesitate to contact me.
