Hi Daphne,

I know that Margaux McGrath and had come to you the other week while I was out of the office in regards to a POA/3rd party coming in to get cash out of an account. I know that as a 3rd party he can only take out \$7500 per day. They continually resupply their safe and asked how often they could come in to withdraw cash without creating some sort of an alert. Is it once a week? Twice a week? Once every other week? If you could let me know that would be great. And this is specifically referring to the Jeffrey Epstein account (# [REDACTED])

Thank you!

Kind regards,  
Amanda Kirby
