Margaux,

We don't have euros on site, they need to be ordered and we need to get at least a days notice and the client would need to provide a check made out to AFEX for the USD amount. If the euros were ordered today for pickup tomorrow the USD equivalent would be 15,000 euros @1.415 = \$21,225.00 .

Please let me know if you want to order them.

Regards,
Daphne Cales

Daphne,
Please note that they would also like 15,000 euros to be available to pick up at the branch as well. Can we loop this into our request for the 40k?

Kind regards,
Margaux McGrath
