I just spoke with Paul - he will be in Florida on Thursday, and asked if he can present this at the following USPB MD Banker meeting.

Any other thoughts of success stories? I don't think the Lending ones are worth being presented.

In any case, we already have the Rel Sci demo and Diana's Presentation in the Agenda; those plus the update on October performance and your update on the AWM ExCO and Q3 review with MF should be good use of the time of the meeting.

What do you think?

Let's do the Paul Morris deal. It is a new KCP client with more than \$150 mm coming over from JPM.

Don't worry about Roelfien, plenty to talk about at this point.

Chip,

As per the email below, we won't be able to do Terri's success story. Other options include:

- \$195mm Str. Lending for MX Holdings One, LLC (R. Vrablic)
- \$75mm loan for David H. Murdock Living Trust (C. Paller)
- \$60mm in two brokerage accounts for Southern Financial LLC (P. Morris)

Any other deal you can think of that would be worth presenting?

Also FYI, I have not heard back from Roelfien yet.

Thanks,  
Diego

Chip,

See email below from Terri - she does not want to do the success story.

Thoughts?

Terri,

We would like you to present the SFX Entertainment IPO as a success story during this coming Thursday MD banker meeting (including the corp cash and stock holdings in custody, the pre-IPO loan and wealth planning).

Do you have 30 minutes tomorrow (Tuesday) to meet to develop a one-pager for the meeting? The one pager will include Client profile (including any other business the client did with us in the past), deal description, and key success factor to win the deal / mandates (including Product support people involved)

Thanks,  
Diego
