See responses in Red:

For the USD withdrawal

- Once we receive the original Authorization to Cash Checks form from Darren, who does it need to be brought to and where does it need to be filed? Ie. with me, with the branch, etc. Once the original letter is received by the branch it will be filed by the branch staff and kept for future use.
- Once we receive the original form and it has been appropriately filed, when can he begin coming in to cash the checks? Is there any delay? Checks can be cashed same day, no delay. Just please give the branch a heads up if he's coming. Email to: TheBranch Staff/db/dbcom

For the euros

- If Jeffrey and Darren sign an additional and separate form with the CUSTODY acct number for Authorization to Cash Checks, could Darren write checks from the custody account in USD to cash out in physical euros? I don't know if you're allowed to withdraw euros from a Custody account so you may want to reach out to someone in that department. If the client wants to pick up euros at the branch you need to:

- Send an email to TheBranch Staff/db/dbcom tell them how much the client wants
- The branch will reply with the USD equivalent and current rate (which changes constantly)
- You will then call the client and let them know the rate and USD amount
- If they agree you will need to cut a check, or the client can bring a personal check made out to AFEX in the USD amount
- Please confirm with the branch what time the client will pick up the currency

- If they do this and use the custody account, what is the current exchange rate they would have? Again, I don't know if they could do this out of the Custody account but the exchange rate will be the best they offer DB clients and will be the amount quoted.

Let me know if you need anything further.

Daphne Cales

Thank you again for your help! Please call when you have a moment to discuss.

Margaux,

The foreign exchange procedure is a bit different however they can not use the custody account unless they are issuing a check in USD for the amount of the euros. Give me a call if you have any questions.

Hi Daphne,
Thank you again for your help yesterday! Regarding the euros, is it possible to use the euros from their custody account to place the order for the physical euros to ensure they get a good exchange rate?

Also, does the \$7,500 limit for Darren still apply (he can only get out ~ 5500 euros at a time)?

Thank you!

Kind regards,
Margaux McGrath

Margaux,

If they need physical euros, we can order them from our vendor we just need at least a day to process and you will need to cut a check made out to AFEX for the USD equivalent or he will need to bring a check with him.

Again, let me know if you need anything further.

Yes, I see their custody account 680519 has 88,000 euros, or 122,438.87 USD as of 5/7/14.

Daphne,
Please note that they would also like 15,000 euros to be available to pick up at the branch as well. Can we loop this into our request for the 40k?

Kind regards,
Margaux McGrath
