PCR Document
RDC Document

@ Sendhil – Once you receive the required information, please set up a Guarantor profile in LS2.

Note – Once the Customer is set up and $1 Facility is created in LS2, we will link the collateral account to DDR.

Kind regards,
Abhijit Mukherjee

Subject: RE: New Derivatives account. [I]

Classification: **For internal use only**

Hi Sachiva,

We did not find the below customer built in LS2. Kindly reach out to Customer build team to get it built under guarantor profile.

Thanks.

Kind regards,
Abhijit Mukherjee
