Subject: RE: New Derivatives account. [I]

Adding Teresa to the thread.

Teresa- it seems that Gideon Pinedo who I believe was previously on your direct team used to help out with retrieving the below information. Would you happen to have someone on your team that can help provide Surenda with the below information so that he can build the dummy bond in LS2 and so that ultimate we can add collateral into the daily derivative report, which is an important report that risk relies upon.

Debbie and Halina- please let us know who the direct owners of the below information is (note that these are Wealth Management clients).

SIC Code
NACE Code
KYC Document
PCR Document
RDC Document

Thank you,

Paolo
