Subject: Monthly Annual Client Update Reports - August [1]
Attachments: 2014 August - ACUs Due Within 30 Days.xlsx; 2014 August - All Overdue ACUs.xlsx; pic24532.gif; pic25988.gif

Classification: For internal use only

Hi All-

Attached are two reports:

Any ACU that is past due
ACUs due within the next 30 days

(See attached file: 2014 August - ACUs Due Within 30 Days.xlsx)(See attached
file: 2014 August - All Overdue ACUs.xlsx)

All appropriate client facing professionals have already received e-mail
notifications. Any additional follow up on your end is optional.

Please note there are certain customers that appear to have outstanding ACUs
for several months and even years. This maybe due to either a system glitch
or some other circumstance out of the CFP's control. I am working on these
cases with the CFPs on a one to one basis. Please also note that the below
reports are created as of the first of the month- clients may appear below
even though the ACUs have been completed by the time all notifications are
sent out.

Kind regards,
