Hi Yoonsun,

Gaurav just called and told me that there needs to be a case comment from KYC to confirm that the account title should be Gratitude America, Ltd and not just Gratitude America. Would you be able to do that?

Let me know.
Thank you

Hi PWM AOG,

When you are preparing the manual EDF to upload in dbTops, you are taking the information from the account opening application and not from the KYC.

Hi Yoonsun,

Should a comment on the KYC reflecting the correct address suffice here or does the KYC have to be updated with the address?
