OK, I am sure he meant to write C Corporation instead of 'Sched C'. I can get a new one but can this please be approved right away with a temporary exception? This is an escrow account and the client has told me that a deal may not go through today if they cannot wire in funds. I will be able to get you an updated W-9 within 30 minutes but they desperately need to open these accounts.

I would be so appreciative if we could get these opened asap and I will follow up with the W-9 shortly

Best,
Amanda Kirby
