

Subject: Research for Hyperion Air, Inc

Classification: Public

Hi,

I just received a research report for Hyperion Air, Inc. I specifically asked that the search be conducted for the United States based company and NOT the Virgin Islands but the report still shows the Virgin Islands. I asked for the report to be run on the United States company in both case #6886078 and #6885619. This is extremely urgent and I need this research ASAP. Please let me know what the issue is and when I can expect the research on the United States based country

Best,  
Amanda Kirby
