Brad,

As a follow up to our conversation I wanted to highlight the difference between a Limited POA and a Full POA. As a Limited POA Jeffrey will **only** be able to trade in Leon's account. As a Full POA he will be able to trade, move assets and sign documents. I wanted to make sure this was clarified before you speak with Leon and Jeffrey tomorrow.

Also, I know you are not currently focused on investments but a number of our family office clients have found our deposit and cd rates attractive for excess cash and current rate environment. Since Leon already has bank accounts opened I've attached those rates for reference.
