

You'll need to order updated research and complete a KYC update. Essentially, you have to treat it the way you'd treat a brand new client.

Why did the account close? Was it ever funded? Was it closed due to zero balance?

Please note that this is a high risk client and the KYC will need to be reviewed by AML Compliance; I've cc'd them so they are aware of the rush.

Hello my favorites--

Can you let me know what I need to do to re KYC this entity for which an account was auto-closed (information below)? This is going to be a high rush situation, the client is absolutely furious.

Thanks,
JJ
