GO TO THE PARTY.

I think given that the account was closed due to our "error" and not client instructions, a 1 week temporary exception *might* be appropriate. It's really up to them.
Email Janice Franklin and Yoonsun Chung directly—cc me and vaishali.

Best,
Armen

So just email PWMUS AMLKYC and ask them?

If we need a new one, there is slim to no chance this can happen tomorrow. Would they be who I requested an exception from also or is this going to be a hard no you think?

Thanks, I appreciate your responsiveness, I know it is late ☺ I am missing my brother's birthday for this ☺
