Hi Halina,

I have confirmed with FIS. And they say that the account will get purge from system after the 180 days from the day it got closed from system.

These 2 accounts got closed from system in the month of may, which means it will not get closed before November.

I think this was helpful, let me know in case of any further query.

Have a great weekend.  
Thank you.

Kind Regards  
Bhavesh Chandani
