Hello Gentleman!

I copied you both on an email with account opening docs for Southern Financial, LLC and Southern Trust Company, Inc. Below I am attaching all the documents I have for a KYC on your end. I also have a KYC for the checking accounts so let me know if you have any questions. I'm pretty sure everything is attached below but if you need something else let me know and I'm sure I have it somewhere. I'm out tomorrow and Friday but will have access to my blackberry and can call either of you if you have any questions (minus my flight from noon-4 tomorrow).

Thanks!
Amanda
