I wanted to keep everyone in the loop on the status of Mort Inc. [REDACTED]. We have a PCR that needs time to clear so likely we can't get this done today. We let the client know and will make a big push to get it done Monday. The client has expedited a request for a new CoGS so we should have that next week.

Thanks for your help so far, I and Paul Morris are extremely appreciative to have such a responsive team working with us on this. You guys rock.

Thanks,
JJ

I think given that the account was closed due to our "error" and not client instructions, a 1 week temporary exception *might* be appropriate. It's really up to them.
Email Janice Franklin and Yoonsun Chung directly—cc me and vaishali.
