

c. Please identify the legal reps and update the entity details page to reflect this information. The Operating Agreement states the company is manager-managed. An individual named Lawrence Visoski is identified as the initial manager. Is he still the manager of the company? Legal reps must be identified, verified, and added as parties to the KYC. Diligence searches are also required for legal reps. - We need your assistance on the status of Lawrence Visoski.

Kind regards,

Alka Babu
