

Hi Davide,

First off, nice to meet you, I'm going to be working with Stew, Brad and Terri and started last week with the team.

In regards to the KYC documentation, are you looking for a Case # within DB Force to find the documents?

Thanks,
Rich

Stewart,

As discussed, I will review with Liam when he is back next week and we will put together an account opening package.

Brad/Rich, would you please send me what KYC documentation you have on file? I am not able to see on DB Force (I may not be looking at the right place if it is on there already).

Thank you,
Davide

Gents,

Need to open a new brokerage account for Jeffrey. Will do some trading but won't be a huge account. Note that Paul Barrett will NOT be trading this account.

Please send some pre-filled docs to Rich Kahn for signatures. We are currently doing the annual KYC review for the existing Butterfly banking accounts we have, so let us know what info we can provide to help out.

Thanks
