Hi all,

Please see tab "KCP US" of the attached for comments/changes. Any existing names on the list that were not reflected in the "Combined" tab are highlighted in yellow, as are any new additions to the list (noted as such, at the bottom of the list).

There is one account (Elysium Limited) marked for removal, as it is the wrong client (different Elysium).

Please do not hesitate to reach out with any questions at all. Thank you.

Regards,
Davide
