Hi Alex,

For adoption location Frankfurt, the following trade has been booked in Summit application for OTC Derivative Product, details as follows:

Trade ID: G175714L

Summit Code: SOUTHFINANMD

Date of Trade: 13/04/2018

Client Name: Southern Financial, LLC

We have got your name as a sales person from Summit application.

We have observed that the client is not adopted for Frankfurt location, which results in a KYC violation. In order to comply with DB's internal policies and procedures, all KYC requirements now have to be fulfilled, if the trade should stand against Deutsche Bank

Kindly review your trade and where possible, please consider to rebook the trade to an adoption location, where the client is already adopted for OTC Derivative product or confirm if it is a valid trade for the particular location.

Upon your confirmation, we will review the client and would request the missing documents to be obtained from the client/business as per Frankfurt location guidelines.
