

- Investment in Harvest Hedge Fund makes sense for this relationship
- Stewart Oldfield and Paul Bartilucci to pitch DPM opportunities
- Stewart Oldfield to bring in more deposits and pitch consumer retail or corporate financing on this relationship

Tisch:

- Hedge Funds such as Harvest could be a possible opportunity for this relationship
- Stewart Oldfield to establish an introduction to Diamond Offshore Drilling with DB
- Stewart Oldfield and ISG to pitch RCM, corporate treasury assets, and possible DB AG accounts

Possible Prospects:

- Willet (Bloomberg Family Office):
- Small RCM portfolio with DB
- Look at private markets/managers
- Seed managers
- Patrick Campion to establish connection between John Cryan, Stewart Oldfield and Willet
- Internal groups such as ICG Sales, CIB, Prime Brokerage might have hedge fund contacts for Stew to connect to on a principle level
- Laura Farischon pitched the notion of looking on the PE & Hedge Fund public list to see if there are any possible prospects there
- Another option that was pitched was covering hedge funds that Global Markets no longer covers and getting introduction to those principles for possible wealth opportunity.

Kind regards,

Cynthia Rodriguez
