Hi Rob,

I have check the below payment in BST. Actually this one wire has been processed on dtd 02/14/2018 successfully ,however team was missed the FED ref . updated only for this one wire.

On dtd 03/09 we have updated the FED ref only for the wire which has already sent dtd 02/14/2018. so due to this client got the notification for same.

Apologies for same.

Thanks,

With regards,  
Hemant-Kumar Rathore
