

# PCS High Risk Media Communication Sheet

I - Account Number(s): [Redacted]

Type of Account Change:  Address of Record  Telephone Number  E-mail

Type of Asset Movement:  USD WIRE  NON-USD WIRE  ACH  CHECK  JOURNAL  
 DTC/EUROCLEAR  Reg E Wire (If marked, complete and attach additional documentation required.)

Standing Instructions (select one):  Initial Setup  Pre-Established

II - DocuSign (all amounts) - Proceed to Section IV once complete

- I processed the request via the Knowledge Based Authentication (KBA)
- I recognized Client's voice and verbally provided the Access Code via outbound call to a phone number on file (Complete the details of the outbound call below.)

III - Non-DocuSign—Verification of Contact with Client—By signing below, I am certifying the following:

- I recognized the Client's voice based on prior conversations, OR
- I confirmed accurate responses to three authentication questions

Method of Callback

- Oral communication is not required (for pre-established standing instructions or same name internal asset transfers)
- I verbally confirmed (via inbound or outbound call for asset movement < \$50K – or for pre-established standing instructions)
- I performed Callback (for account changes, ALL international/non-USD/FX requests, initial standing instructions or asset movements ≥ \$50K)
- If asset movement > \$1MM, Callback and due diligence performed by a person not on the Client's sales team. Signature of person performing authentication is below.

IV - I confirm

- Signer(s) is/are authorized to act on account
- I have completed signature verification (non-DocuSign only)
- I have reviewed this transaction for consistency with Client's historical/expected account activity
- Indemnification language is on file (non-DocuSign only)

V - Additional information

Asset movement amount: EUR 15,000

*Darren Indyke*  
Name of the person(s) spoken with

[Redacted]  
Telephone number used for the Callback or
