GUNVL has appealed to the Supreme Court on both matters. The cases are currently pending in front of the Supreme Court of India. The Company plans to vigorously defend each case and believes that an unfavorable outcome is remote; as such a liability has not been recorded in relation to these contingencies.

**11. Segment information**

The Company is engaged in one reportable segment that operates a portfolio of solar energy generation assets. The Company operates as a single reportable segment based on a "management" approach. This approach designates the internal reporting used by management for making decisions and assessing performance as the source of the reportable segments.
