Classification: For Internal Use Only

Dan had a hard stop at 10, so join whenever you can. I actually think it looks good that you will be busy allocating a good deal. The client isn't on a tight schedule, so you guys can chat one on one after dan leaves as well. Thanks

Classification: **For internal use only**

Hi, Stewart. I mentioned this to you on the way out Friday. Now I see I did not hit send . . .

Due to the Best deal allocating and trading Wednesday morning, I need to clear my decks till 9:30. Please let me know if the meeting can start a little later. Or, I can join when I am done with Best, hopefully earlier than 9:30. Thanks and regards, --Josh
