Hello Richard,

We are unable to make a market in that size and as I stated last week without knowing if you are a Buyer or Seller we would not get a response from any of institutional clients we know care in the name.

If you have an ultimate limit on either side, we could work an order for you.

Best regards,

Delores Rubin

Thanks you for update. Any indication where a 100,000 share block can be crossed? Please advise. Thank you.
