Richard,

We have a seller checking us on 25,000 shares which is a sizeable amount for this name.

The indicated seller cares around the 28.50 EUR level. The stock is currently 28.42 x 28.50.

Please let us know as soon as possible if you would like to try to buy or you want to counter with a lower bid.

Thank you.

Best regards,

Delores Rubin

Good Morning Richard,

It is another very quiet trading day for Rothschild.

We have not had any institutional interest expressed yet, but we would still like the opportunity to work an order for you.
