

MicrosoftUC: [REDACTED] (2017-07-27T15:19:01-0400): awesome. possible downgrade?

MicrosoftUC: [REDACTED] (2017-07-27T15:19:36-0400): hmmm

MicrosoftUC: [REDACTED] (2017-07-27T15:19:56-0400): a thought.... but not sure

MicrosoftUC: [REDACTED] (2017-07-27T15:20:07-0400): what if she is still getting something from him

MicrosoftUC: [REDACTED] (2017-07-27T15:20:54-0400): yeah that's a tough one. I don't think we will ever know. I think it will be safer to keep them as high

MicrosoftUC: [REDACTED] (2017-07-27T15:21:41-0400): yeah for now at least

MicrosoftUC: [REDACTED] (2017-07-27T15:23:53-0400): hey I have not eaten yet

MicrosoftUC: [REDACTED] (2017-07-27T15:24:11-0400): so fro 3:30, I will be gone a few min.

MicrosoftUC: yoonsun.chung@db.com (2017-07-27T15:24:37-0400): jet leg

MicrosoftUC: [REDACTED] (2017-07-27T15:24:39-0400): I will work on the docs and the memo for this account

MicrosoftUC: [REDACTED] (2017-07-27T15:24:44-0400): yup

MicrosoftUC: [REDACTED] (2017-07-27T15:25:04-0400): haha thats the reason I would rather go to work. Being home will inevitably put me to sleep

MicrosoftUC: [REDACTED] (2017-07-27T15:29:44-0400): hey so quick question - We recently approved Darren K Undyke PLLC, who is an in house lawyer for Epstein, and we downgraded that account to low risk

MicrosoftUC: [REDACTED] (2017-07-27T15:30:14-0400): So to maintain consistency, should we also downgrade this one?
