Can you set-up a meeting for you, me and Andrew to discuss? There has been negative press over the past couple of days which I think that we need to review and determine if we still feel comfortable not only maintaining but continuing to expand this relationship. I think that this may warrant a CAF to ensure that everyone is on the same page.

I also still think that we need greater clarity regarding the Butterfly Trust beneficiaries. For example, the below article references [REDACTED], [REDACTED] and [REDACTED] who are also beneficiaries of the Butterfly Trust. What do they do for Jeffrey Epstein?
