Classification: **For internal use only**

There are a lot of accounts associated with Jeffrey. Will track them all down and attach a list. Do you have the original list of accounts that we thought were in scope for this? Want to make sure I separate the personal and trust/entity accpunts.

Thanks

A few things

- 1) Account #s need to be populated on these
- 2) The need to be signature verified
- 3) You must complete the RM affirmation (attached) for each account holder

We also need to track down the entity ones—he never sent them to me, but in the email he says he sent to Aracely....

He may have sent to Cynthia...

Best,
Armen
